RE: MI-TRALE 2020 Scholarship Announcement

MI-TRALE (Michigan Trails and Recreation Alliance of Land and the Environment) is pleased to announce a total of four \$250.00 scholarships will be awarded to students of Ontonagon Area High School and Ewen-Trout Creek School District this year.

The \$250.00 scholarships will be awarded to each of the four students based upon the following criteria:

1. A short paragraph of introduction to MI-TRALE. It should include their name, address and phone number. In addition, grade point average, course of study, subjects taken and activities participated in school.
2. A brief discussion of their future plans, career goals (why selected) and financial needs.
3. Discuss community service. Form of service, approximate hours volunteered to each, why chosen, feelings gained from serving and making a difference. Please be sure to discuss any involvement or volunteering with MI-TRALE, as this is a plus.
4. Lastly, any other information that the applicant feels would be important to the scholarship committee in making their decision. Your submission is preferred to be in PDF form.

The scholarship recipients will receive a certificate acknowledging the award at their awards ceremony or in person. A check in the amount of \$250.00 will be provided upon evidence of completion of their first semester.

Submissions must be received by MI-TRALE no later than April 17, 2020. **Please send the submission as an attachment by email to:**
