

Snow removal bid request 2022-2023

Ontonagon Area School District

Bid may be offered as either A or B below:

- A. Equipment cost per hr/min. with estimate of annual cost. This cost will be paid on a month to month basis.
- B. Full amount for season bid (preferred method of bid) paid through installments over five months.

Contractor must have commercial vehicle, general liability and workers comp. insurance cert. included with bid and insurance limits of- \$500,000 min. required. All equipment used in the process of snow removal may not be stored on campus.

The needed areas of snow removal are as follows:

Main campus basic service: 701 Parker Ave.

1. Snow fall of 3 or more inches should be removed within a 4 hour period during the day or 16 hour period overnight on off session times.
2. Access driveways should be kept clean and banks low enough for safe view of traffic.
3. Building main door access points and walkways between entrance doors in front of the building should be shoveled clear for safety with little or no build up allowed during the session day.
4. Play areas should be kept accessible for children.
5. Service overhead access doors should be kept open.
6. Spring matting should be monitored by the contractor and removed as needed.

Bus garage grounds: 301 Greenland Rd.

1. Item 1 and 2 above should be the standard.
2. Bus parking and large drive access is required---this should be discussed with the Head Mechanic for area to be cleared and access drive points.

Grounds or building damage caused by snow removal service shall be repaired by the contractor at the end of the season.

Sealed bids will be accepted until 3:00 PM, Wednesday, October 10, 2022, at the School Business Office. The bid envelope should be marked "Snow Removal Bid."

The Board of Education reserves the right to reject any or all bids.
